

Vocal Communication

- **Tone (conversational)**
- **Pauses**

Here's how I plan to implement a conversational tone and appropriate pauses:

Visual Communication

- **Body position**
- **Gestures**
- **Movement**
- **Eye contact**

Here's how I plan to implement natural visual communication:

Interaction

- **Questions**
- **Conversation**

Here are some questions for the audience I will ask during my speech at appropriate moments in a conversation manner:
